

# Fuquay-Varina Rotary Club Scholarship Application 2009-2010

## Information

The Fuquay-Varina Rotary Club raises funds every year for educational programs and activities in the community. The Club has funded educational programs and activities for years, primarily from the proceeds of its annual Rotary Education Classic golf tournament. With this money, we also fund scholarships for local youth so that they can pursue post-secondary educational experience. As Rotarians, we know that a well-educated work force is the key to our future. To this end, we offer two types of scholarships:

### **Rotary Character Counts Scholarship Wake Technical Community College Scholarship**

The Rotary Character Counts Scholarship requires that the student complete a 1,000 word (or less) essay explaining how the Rotary 4-Way Test applies to Character Education (see below). The recipient of this scholarship receives \$500 towards books and fees at the college of their choice.

The Wake Technical Community College Scholarship requires an essay explaining how a college education will be of value to the applicant in the future (see below). The recipient of this scholarship receives full tuition at Wake Technical Community College for one calendar year (must be renewed in December for second semester).

The number of scholarships awarded varies each year based on the success of fund-raising efforts of the Fuquay-Varina Rotary Club. At least one of each type is awarded every spring. Both scholarships require a recommendation from a Club member as part of the application package.

## Instructions

Please type or write your answers in the spaces provided on the following pages.  
Attach essay responses to a separate sheet of paper.  
When completed, mail application to:

Vocational Committee
