

“Art after Dark” is a regularly occurring event on the second Friday of each month, where local businesses stay open late (5-9pm) and showcase the Arts in various forms. Each participating business creates their own event to showcase the Arts in their space. Visitors can walk from one business to another to enjoy a variety of events that showcase the arts and foster creativity in the community.

The Fuquay Varina Arts Council will promote this event in a variety of ways, including a brochure and website listing participating businesses. **If you would like to be included in our promotional materials, please submit the information below at least three weeks prior to the date of the upcoming art walk.** There is no cost to be included in this event.

BUSINESS SIGN UP

Describe the event you are planning at your place of business (max 255 characters):

Will there be a cost for your event? _____ If yes, how much? _____

What time will your event take place (if other than 5-9pm)? _____

BUSINESS INFO :

If we have your business information from a previous “Art after Dark” event, then you may include only your business name, unless you wish to make changes to your business or contact information. If this is your first time participating, please fill out below.
