**Dear Vitaliy:**

**Recently on March 29, 04 I visited the Hogar Str. Terisita in Tingo Maria, Peru. While at the orphanage I took several photos of the washing machines and the proud house mothers who use the machines to wash a lot of dirt clothes for a lot of children. I was impressed how clean the washing machines are kept. Both on the inside and the outside. They look like brand new machines on some ones store room floor ready for sale. Several of the machines were covered with cloth or with cloth and Styrofoam. The house mothers and the children are very, very proud. For me it was a good feeling to share and to feel their pride.**

**I wanted to send you a copy of the photos that I took and share with you my visit.**

**You made a sharing decision that was appreciated and very beneficial to the orphanage.**

**Thanks for your kindness and consideration.**
