The Rotary Children's Fund
Lakewood / Rocky River Rotary Club

29 October 2004

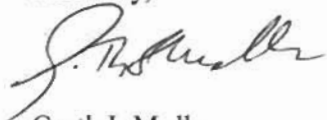

To the Committee of the Rotary Children's Fund:

On behalf of the Kargel and Baedeker School, I wish to thank the men and women who support the children's foundation of the Rotary Club for your generous contribution to our school. We have used the money donated to the school, \$2000.00, for the purchase of the first part of a water purification system which will provide clean drinking water for our children.

As we have planned it, the whole system will provide general purification for all of the water used in the school building, with a special part of the system that will provide clean water for the kitchen and for four drinking fountains on the floors of the school. Your gift has made it possible to purchase that part of the system which will be used for the kitchen.

Again, thank you very much for your gift and the interest which you have shown to the school. Our thanks go also to Vitaly Bezrodnov who represented the committee in presenting us the gift.

Sincerely,

Garth I. Moller
Director of the Kargel and Baedeker School
