Vitaliy,

On behalf of our members, I want to thank you and all your fantastic performers for the wonderful opportunity you brought to our families Monday evening. The singing and dancing were outstanding and beautiful. Such dedication and hard work has certainly gone into everything your group does.

I have enclosed a brochure to help explain what the Wisconsin Chapter of FRUA offers our members.

The best to all of you and much success in the future!

Sincerely,

Shelley Cullen
FRUA-WI Chair
