Dear Vitaliy:

Thank you, thank you, thank you! The performance at our church last Saturday, January 31, 2004, of the Golden Gates Children's Choir and the Moscow Nights was wonderful. I'm sure that you could tell by the reaction of the audience that the concert was a big success.

The girl's costumes were beautiful, and each was graceful and showed a great deal of poise. Their singing, of course, was superb, and they did an excellent job of including the audience – even with the language barrier. Their director and companion, Marina Tourlyguina, has certainly done an excellent job of training them. She should be commended.

I hope that you all enjoyed visiting and performing at our church as much as we did hosting you. Next time you visit, please consider staying for the entire weekend so the children of the Golden Gates choir and the children of our congregation can have more opportunity to get to know one another better.

Please give our best to all the girls, Marina, and the other members of the Moscow Nights. Blessing to you all and may God be with you as you continue your travels here in the United States and during your return to St. Petersburg.

Sincerely,

Cheryl R. Caraulia
Director of Music
